

Instrumental Music 2018

Welcome to the Instrumental Music Department of Grovedale College.

Grovedale College offers music lessons on the following instruments:

Flute
Clarinet
Saxophone

Trumpet
French Horn
Trombone

Voice
Piano/keyboard
Guitar

Bass Guitar
Drums
Other instruments
upon request

Group lessons are free of charge, whilst individual lessons incur a cost of \$25 per half hour. Students are withdrawn from one class per week to attend their music lesson. Lessons are rotated each week so as the same subjects are not missed consistently.

The College has a number of instruments for rent at a cost of \$80 per year (\$20 per term). Students not hiring instruments are to pay a non-refundable \$20 Music Maintenance Fee. **Please note that guitars, keyboards and drum kits are not available for hire.**

Students also need to purchase other instrument specific equipment such as reeds and drum sticks as specified by the teacher.

Students enrolling in instrumental lessons at Grovedale College agree to the following expectations:

1. Students will practise for the required time each week specified by the instrumental teacher.
2. Students are required to attend lessons each week and notify teachers in advance of absences due to school events.
3. Students must become a member of the relevant ensemble as discussed with the instrumental teacher and Director of Music.
4. Year 8 students are to take a mentoring role in at least one of the ensembles.

If students do not comply with these expectations parents will be notified and students may be withdrawn from the program.

To begin learning an instrument please complete the form and return it to the school. Once your form is returned you will be given a lesson time and any other information you require.
