

YOUTH SERVICES YOUTH HUBS & PROGRAMS

YOUTH PROGRAM HUBS

The Youth Development Unit (YDU) provide young people with vital social and community connections, skills development programs and opportunities to participate in civic life through the provision of 2000 youth programs each year, reaching 30,000 young people.

With the current evolving situation in Geelong and the G21 region with regards to Youth Mental health and wellbeing there has been some change to events, programs and activities typically delivered by Geelong Youth and the City of Greater Geelong.

Based on advice from the Internal key partners in addition to headspace, BCYF and other health providers the City of Greater Geelong Youth Team has made the decision to establish Youth HUBS across the LGA to ensure the health and wellbeing of our community.

Additionally, The YDU will provide support and operational plans to Golden Plains, Surf Coast and Colac Otway Shire Youth teams to duplicate the HUB model and partner in the design and facilitation of a regional suite of Digital Youth Programs for all young people aged 10-25 who live or recreate within the G21 boundaries.

How to join and the latest information about these programs is available at www.facebook.com/geelongyouth or www.instagram.com/geelongyouth
