Dear Parent/Guardian

Grovedale College is looking forward to another great year of teaching and learning and would like to advise you of Grovedale College's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

We want to thank you for all your support. This has made a huge difference to our school and programs we can offer.

Within our school this support has allowed us to offer a wider range of subjects and special curriculum experiences, including: enhanced digital learning opportunities, faster WIFI and internet, food studies, sports academy, systems engineering, design, creativity, technology & wood, visual arts, visual communication, music tuition, biology, chemistry, studio arts, GITTC, camps and sporting events.

Department's Parent Payments Policy can be found on the College website www.grovedale.vic.edu.au

Yours sincerely

Janet Matthews
College Principal
